Webull Data Disclaimer

Last Updated: 18 August 2026

The following terms and disclaimers cover all data and information ("Data") provided on Webull's mobile application, desktop application, website, and any other product or service (collectively, "Products") provided by Webull Technologies Pte. Ltd. and its affiliates ("Webull"). Data includes, but is not limited to, market data from various exchanges and third-party service providers ("Data Providers"), as well as fundamental data such as financial reports, analyses, corporate actions, and news reports.

Data on the Products is provided by Data Providers, and Webull is not involved in preparing or editing, nor does it explicitly or implicitly endorse or approve any Data. The Data Providers do not explicitly or implicitly endorse or approve the Data of other third parties, nor do they give investment advice or advocate the purchase or sale of any security or investment. Webull and Data Providers do not guarantee the accuracy or reliability of any Data. Webull and Data Providers do not bear any legal liability to the user for any loss or damage arising from the delay, error, inaccuracy, or omission of any Data.

Users should use Data on Webull's Products in accordance with the policies of Webull and the Data Providers, as well as applicable local laws, rules, and regulations. Users may only use the Data for their internal purposes and are prohibited from reselling or providing the information to third parties without prior written consent of the Data Provider. No content on Webull Products may be reproduced, stored, modified, transmitted or distributed in any form or by any means (including digital, electronic, mechanical, photocopy, recording or otherwise), without the prior written permission of Webull.

While Webull makes every attempt to provide accurate and timely Data to serve the needs of its users, it does not guarantee the accuracy, completeness, timeliness, or applicability of the Data. Data provided in the Products does not constitute investment advice. Users are solely responsible for the consequences of any actions taken in response to the Data and Webull does not bear any legal liability for such actions.

Webull does not bear legal liability for any malfunction of the user's own network or device, or for any delay, suspension or interruption of the Data disseminated by any Data Provider.

Webull bears no legal liability for service interruptions or losses to the user due to a "force majeure" event, such as a flood, extraordinary weather conditions, earthquake or other act of God, fire, war, insurrection, riot, labor dispute, accident, government action, communications or power failure, equipment or software malfunction.

Webull will make all reasonable efforts to notify users in advance of service interruptions caused by system maintenance and updates and retains the right to suspend or terminate part of or the whole of its network services without prior notice to users. Webull does not bear any legal liability for any loss arising from any service suspension or termination.

Data provided on Webull's Products do not reflect the views of Webull. The Webull product features are designed for informational purposes only and are not intended to serve as recommendations to users to buy or sell any securities in their self-directed accounts.

All investments involve risk, and the past performance of any security or financial product does not guarantee future results or returns. While diversification may help spread risk, it does not assure a profit or protect against loss. There is always the potential to lose money when you invest in securities or other financial products. Investors should consider their investment objectives and risks carefully before investing.

You acknowledge and agree that you have accepted the following terms before using Webull Data:

1. Nasdaq, Inc. and its subsidiaries and affiliates ("Nasdaq") shall not be liable to users, regardless of the cause (unless resulting from the gross negligence or willful misconduct of Nasdaq) or duration, for any errors, inaccuracies, omissions, or other defects in, or untimeliness or inauthenticity of the market data, or for any delay or interruption in the transmission thereof to users, or for any claim or loss arising therefrom or occasioned thereby.
