Deposit and Transfer Campaign Terms and Conditions

1. Campaign Information

1.1 About Webull Australia

Before you participate in our 'Deposit and Transfer Campaign' (**the 'Campaign'**) these Terms and Conditions (**'terms'**) **must** be read and understood in full before participating.

Webull Securities (Australia) Pty Ltd (**'Webull Australia,' 'Webull,' 'we'**) is a licensed financial services firm and is a direct Trading Participant of the Australian Securities Exchange (**'ASX'**) and Cboe Australia Pty Ltd (**'Cboe'**) whereby we are regulated by the Australian Securities and Investments Commission (**'ASIC'**), ASX and Cboe. When we execute international securities on your behalf (e.g. US securities), we use regulated related entities within the Webull Group where relevant.

1.1.1 Webull's Funds up Front Model

In order to transact through our online trading platform, it is a requirement that all clients adhere to our 'funds up front' model. This essentially requires our clients to ensure that they have applicable funds deposited in their Webull Australia trading account prior to undertaking any trading.

Webull Australia is not an Authorised Deposit Taking Institution (**'ADI'**) – i.e. a Bank regulated by APRA, however in accordance with our regulatory obligations we maintain client monies separately within a Client Money Trust Account within an ADI appointed by Webull Australia.

On that from time to time we may have Campaigns pertaining specifically to deposits.

1.1.2 Participating in Multiple Marketing Campaigns

From time to time, we may launch multiple marketing campaigns simultaneously. On that, it is crucial that should you participate in one or more of our marketing campaigns that you fully understand each relevant campaign's terms. For example:

- **A Deposit and Transfer Campaign** may require a Participant to maintain monies and/or transferred shares in their account for a specified timeframe, before a withdrawal is permitted under the Campaign's Terms and Conditions; and
- **A Transfer Campaign** *may impose restrictions on* withdrawals (both shares and monies) in that particular campaign and if you withdraw monies after fulfilling the Deposit Campaign conditions, you may not be deemed eligible for the relevant rewards from the Transfer Campaign.

In order to participate in this Campaign, the below terms must be adhered to accordingly. Participants are required to carefully review all of the Campaign terms to avoid unintended disqualification from receiving the relevant rewards.

- **Blue Ocean Level 2 data** – Depth of price information during overnight hours, showing additional liquidity and price levels.

2% Match Bonus refers to:

- For any USD or AUD monies deposited during the Campaign Period and any US or Australian shares and ETFs transferred in during the Campaign Period, minus their accumulated total withdrawn monies and shares transferred out, 2% of the total will be rewarded to the client as a cash voucher.
- The 2% Match Bonus is based on Total Assets valued in AUD. The value of USD assets will be converted using the exchange rate on the settlement date of the asset into the Participant's Webull Australia account.
- Any monies withdrawals and shares transferred out of the Participant's Webull Australia Account during the Campaign Period will reduce the Participants Total Assets amount, which in turn reduces the Award Tier.
- The maximum rewards for this promotion are AUD\$100,000. No additional rewards will be provided if Total Assets exceed AUD\$5,000,000 during the Campaign Period.

Total Assets Calculation:

- After the Campaign Period ends on 30/11/2025 at 5:59:00 pm, the Total Asset will be confirmed within 10 business days. To qualify for the full reward, Total Assets must be maintained for **12 months or until the second payment date**. The reward will be paid in two equal instalments. The first claim date is **30/04/2026**. The second claim date is **31/10/2026**.
- During the Retention Period, deposits, withdrawals, and share transfers are permitted, provided that client's deposited monies and shares transferred in

exceed withdrawals and shares transferred out.

- If the Participant's monies withdrawals or share transfers out exceed monies deposited or shares transferred in before the first claim date, the reward amount will be reduced proportionally based on the value withdrawn or transferred out.
- If the net Total Assets decreases after the first claim date (30/04/2026) and before the second (31/10/2026), the participant will no longer be eligible to receive the remaining reward. However, if a client deposits or transfers to restore the Total Assets, then the Participant will be eligible to receive the reward.
- To qualify for the 2% Match Bonus, Total Assets must reach **a minimum of AUD\$2,000** during the Campaign Period.
- For the purpose of calculating the value of a stock transfer, whether it is a stock transfer in or a stock transfer out, the value of transferred stocks will be determined based on each stocks closing price on the trading day immediately prior to the settlement date of each stock into the Participants Webull Australia Account.
- All deposits and transfers made in USD will be converted to AUD using the prevailing exchange rate on the date of settlement.

Example Scenario of Match Bonus:

- A Participant selects 'Participate Now' and deposits AUD\$50,000, and transfers in shares valued at AUD\$50,000 during the Campaign Period. The Participants Total Assets amount is AUD\$100,000. The expected total reward at 2% is AUD\$2,000, which will be split equally into two instalments of AUD\$1,000 each (i.e., 1% of the total reward at each claim date).
- Before the first claim date (30/04/2026), the Participant withdraws AUD\$20,000. Their new Total Asset amount is AUD\$80,000. Therefore, the reward for the first instalment (30/04/2026) is adjusted to AUD\$800 (1% of AUD\$80,000).
- Before the second claim date (31/10/2026), the Participant transfers shares out valued at AUD\$20,000. This reduces the Participants Total Assets below the original amount that was deposited or transferred in, making them ineligible for the second reward instalment.
- If the Participant deposits an additional AUD\$25,000 following this, the Total Assets is positive again, and they are now eligible to receive the final reward of AUD\$800 on 31/10/2026.

1.4.6 Notification of Rewards
